

## THE BEAGLE ASSOCIATION CHAMP SHOW 30TH NOVEMBER 2024

I would like to thank the committee of the Beagle Association for the honour of inviting me to judge their championship show and also give thanks to my stewards for keeping me in check and judging flowing smoothly. I was happy with the entry and very much enjoyed my day and the opportunity to go over your hounds. Thank you to the exhibitors for trekking down South to the new venue. I found most of the hounds to be in good condition, although one or two could of done with a thorough bath & groom, this is a show after all and presentation is key!! Again the bitches came out on top as the quality overall was stronger which has been the case for a few years now this may be for numerous reasons. Movement overall was good but some lacking muscle condition and therefore lacking in drive. Some others had upright shoulders and therefore not enabling them to reach in front. Happy to say all mouths were correct and finally that I was happy with my dog and bitch line ups and overall winners, Well done to you all.
