
The Beagle Association 5th July 2025

I would like to thank the committee for inviting me to judge. I really appreciate all those who entered under me & stayed. A few dogs were tired but I can understand if they were at shows the day prior & at the champ show earlier in the day. I felt there were a few light eye in some of the dogs I saw today. The venue was nicely layout giving good space in the ring. The committee were so welcoming.
